PAYMENT ARRANGEMENTS

- We will provide you with a written estimate of charges when we know your requirements.
- 50% of the estimated total is payable as a deposit 7 days before to the funeral, or immediately if the funeral is to take place in less than 7 days.
- An invoice will be sent immediately after the funeral showing the details and total amount of our charges and the balance remaining after deduction of any deposit. Payment of the balance is due within 30 days of the date of the invoice
- For a Direct / Unattended Funeral, we require full payment before we book the funeral.
- We accept payment by Cheque, Bank Transfer, Credit Card or Debit Card.
- If payment of the deposit causes difficulties, we may agree to defer payment until the final invoice providing the payment is guaranteed in writing, by a solicitor, bank or similar person
- We realise that sometimes there may be an unavoidable delay in payment for funeral invoices and we will take a sympathetic view. However, we reserve the right to charge interest on any invoice, or part of an invoice, which is unpaid by the due date at the rate of 2½% per annum above the base rate of HSBC bank.
